## INQUEST'S BRIEFING AND AMENDMENTS TO THE CORPORATE MANSLAUGHTER BILL 2006

INQUEST's briefing and amendments for the committee stage of the Corporate Manslaughter Bill is now available to download from the website via <http://www.inquest.org.uk/publications.html>

Notes to editors:

INQUEST is the only non-governmental organisation in England and Wales that works directly with the families of those who die in custody. It provides an independent free legal and advice service to bereaved people on inquest procedures and their rights in the coroner's courts.

Through our casework over the last 25 years, INQUEST has developed a unique overview of how the inquest system operates. We extract policy issues arising from contentious deaths and their investigation and campaign for changes in practice to prevent deaths in custody.
